### Notification of Social Security Number Collection and Usage

In compliance with section 119.071(5), Florida Statutes, Tallahassee State College issues this notification to students, employees, and applicants regarding collection and usage of the Social Security Number (SSN). TSC collects and uses the SSN in performance of the College's duties and responsibilities for the following purposes: admissions/testing; record identification and verification; classification of accounts; credit worthiness; billing and payments; data collection; reconciliation; tracking for outcome data and transition from one education level to the next; benefit processing; tax and scholarship reporting; financial aid processing; athletics recruiting; accreditation of programs; as a condition of employment and employment processing; and reporting to authorized agencies of the state and federal government. To protect identity, TSC secures all SSN from unauthorized access and assigns students and employees a unique identification number. The College will never release a SSN to unauthorized parties. The unique identification number is used for all associated employment and educational purposes at TSC.

### Enrollment Services/Workforce Programs/Florida Public Safety Institute

Federal legislation relating to the Hope Tax Credit requires that all postsecondary institutions report students' social security numbers to the Internal Revenue Service. A student may refuse to disclose his or her social security number to the college, but the IRS is then authorized to fine the student in the amount of \$50. In addition to federal reporting requirements, the public school system in Florida uses social security numbers as student identifiers (section 1008.386, Florida Statutes) for purposes of tracking and assisting students in the smooth transition from one education level to the next. All social security numbers are protected by the Family Educational Rights and Privacy Act (FERPA) and are never released to unauthorized parties.

*\* Students should review any additional requirements for degree/certificate programs in the College Catalog at [Catalog.tsc.fl.edu](http://Catalog.tsc.fl.edu).*

## FLORIDA RESIDENCY DECLARATION FOR TUITION PURPOSES

A Florida “resident for tuition purposes” is a person who has, or a dependent person whose parent or legal guardian has, established and maintained legal residency in Florida for at least twelve (12) consecutive months preceding the first day of classes of the term for which Florida residency is sought.

- Residence in Florida must be a bona fide domicile rather than for the purpose of maintaining a residence incident to enrollment at an institution of higher education.
- To qualify as a Florida resident for tuition purposes, you must be a U.S. citizen, a foreign national in a non-immigrant visa classification that grants you the legal ability to establish a bona fide domicile in the United States, a permanent resident alien, parolee, asylee, Cuban-Haitian entrant, legal alien granted indefinite stay by the U.S. Citizenship and Immigration Services, or other qualified alien as defined under federal law. Other persons not meeting the twelve-month legal residence requirements may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Legislature pursuant to section 1009.21, Florida Statutes (see “Qualification by Exception” below). All other persons are ineligible for classification as a Florida “resident for tuition purposes.”
- Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend upon out-of-state parents for support are presumed to be legal residents of the same state as their parents.
- Residency for tuition purposes requires the establishment of legal ties to the state of Florida. A student must verify that the student has broken ties to other states if the student or, in the case of a dependent student, his or her parent has moved from another state.

### NON-FLORIDA RESIDENT

I do not qualify as a Florida resident for tuition purposes for the term for which this application is submitted. I understand that should I qualify for a future term, it will be necessary for me to submit an updated Residency Declaration while providing prescribed, supporting documentation to substantiate as “reclassification” of my status. I understand being classified as a non-Florida resident will not exclude me from the possibility of receiving a waiver to cover part or all of the out-of-state fee as defined in s. 1009.26, Florida Statutes. Submission of an updated Residency Declaration must occur prior to the beginning of the term for which residency is sought. I do not have to complete any further portion of this form, with the exception of signing below.
