

Barbara Goldstein ('92)

As one of the founders and co-chairs of the Tallahassee Holocaust Education program sponsored by the National Council of Jewish Women, Tallahassee Section, Barbara Goldstein has developed meaningful programs and forged partnerships with the Florida Commission on Human Relations and the Leon County School District to bring Holocaust education to our teachers and students district-wide. This work led to the establishment of the Holocaust Education Resource Council (HERC), a nonprofit organization whose mission is to provide guidance and support for students, teachers, and the community about Holocaust education and teaching tolerance. Thanks to Barbara's voice, there is now a group of dedicated volunteers who promote and organize education about the Holocaust and the dangers of intolerance.

Barbara currently serves as a past chair of the Department of Education Commissioner's Task Force on Holocaust Education and is a member of the Advisory Board at the University of Florida Center for Jewish Studies. She was named one of the "25 Women to Know" by the Tallahassee Democrat.
