Ernetta Roberts

Originally from St. Croix, in the US Virgin Islands, Ernetta Roberts moved to Florida to pursue her education. While working on her Bachelor's and Master's degrees at FAMU, she joined the Florida Department of Corrections, and has continued her service there in various positions for the past 20 years. As Correctional Services Administrator in the Office of Citizens' Services, Ernetta and her staff provide an avenue for the general public to obtain information and express concerns on issues related to the agency. According to Ernetta, they are "the voices and source of comfort for those who feel they have nowhere to turn."
