

Glee Hollander

Glee Hollander served as the head of Gerontology for Florida State Hospital in Chattahoochee and operated a part-time private psychology practice in Tallahassee. Glee received her A.A. degree at TCC in 1976 and continued her education at Florida State University and the University of Washington, School of Medicine. Glee obtained her doctorate in clinical psychology in 1990 from FSU. Glee's work was published in various journals and she was considered a distinguished and dedicated advocate for the elderly, both personally and professionally. Glee passed away in October, 2015.
