MEMORANDUM

TO: District Board of Trustees

FROM: Jim Murdaugh, President

SUBJECT: Naming of College Facilities

Item Description

This item requests approval to name the Ghazvini Center for Health Care Education's Computer Lab in honor of a major donor.

Overview and Background

As a part of the Health Care Provision and Excellence Campaign, Mainline Information Systems committed $125,000 to provide support for students pursuing noncredit health care training and certifications. TCC Foundation policy specifies that "College buildings, portions of buildings, outdoor areas, programs or chairs may be named at the discretion of the District Board of Trustees upon recommendation of the President to recognize major gifts to the Tallahassee Community College Foundation for the benefit of the College. Scholarships, and any gift under $5,000 may be named at the discretion of the President upon the recommendation of the Foundation."

Past Actions by the Board

The Board has taken no past actions in relation to this item.

Funding/Financial Implications

All costs related to creation of signage and hosting of a dedication ceremony and reception will be borne by the TCC Foundation.

Staff Resource

Robin Johnston

Recommended Action

Approve the request to name the Computer Lab in the Ghazvini Center for Health Care Education for Mainline Information Systems.
