MEMORANDUM

TO: District Board of Trustees

FROM: Jim Murdaugh, President 

SUBJECT: Lab Fees for Surgical Technology Program

Item Description

This item requests approval for lab fees for student insurance and materials and supplies for the Surgical Technology Program.

Overview and Background

Last month the Board approved the curriculum for the new Surgical Technology Certificate and A.S degree in Health Sciences. The proposed fees have been developed in compliance with State of Florida Statute and Rule: 1009.23(12)(a) and 6A-14.054. "The Board may establish user fees for services that incur unusual costs . . . fees shall not exceed the cost of the goods or services provided and shall only be charged to students receiving those goods or services."

Past Actions by the Board

The Board approved the curriculum at the September Board meeting.

Funding/Financial Implications

Fees are calculated to be revenue neutral for the college. Start up supply costs have been purchased using the Foundation funds for this program.

Staff Resource

Barbara Sloan

Recommended Action

That the Board of Trustees approve the attached fees to become effective immediately and applied to the courses the next time they are offered.
