MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at Tallahassee Community College locations for information for the Board of Trustees.

Overview and Background

Main Campus: Work continues on the campus master plans for Main Campus and the Florida Public Safety Institute. The door hardware replacement project is underway, with completion scheduled for August 2015. Minor renovations of the TCC Honors Lounge and the Main Library reference desk are also underway.

Wakulla Environmental Institute: Utility installation at Preservation Way is in progress. Building foundations are scheduled to be complete and structural steel erection is scheduled to be underway by the date of the Board meeting.

Florida Public Safety Institute: The berm remediation project is on schedule for completion by June 7. A small project to create a Legacy Walk in front of the Administration Building is also underway.

Gadsden Center: The pre-engineered metal building structure is on order and site work is scheduled to commence on June 8, 2015.

Past Actions by the Board

None

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
