RE: Surgical Tech Lab, Ghazvini Center for Health Care Education

As you know, Dr. Al Deeb donated almost \$260,000 in specialty surgical instrumentations to TCC's Surgical Tech Program. This has been a wonderful addition as it gives our students practice with the instruments they will be using in a surgical setting.

As such, the Healthcare Education Staff and Foundation staff would like to name the surgical tech lab at Ghazvini to honor Dr. Deeb's generous donation.

We have consulted with the donor and suggest the following to the President of Tallahassee Community College and the TCC District Board of Trustees for the name:

Al Elias Deeb, MD and Family Surgical Services Lab
