MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at Tallahassee Community College locations for information for the Board of Trustees.

Overview and Background

Main Campus: The draft campus master plans for the Main Campus and the Florida Public Safety Institute are complete. The installation of the new parking lot lighting at the northwest quadrant of the campus is substantially complete. Planning for the upgrade of the STEM lab is complete and construction will commence this summer.

Wakulla Environmental Institute: Installation of fixtures and equipment is complete and the building is in operation. The photo-voltaic panels are fully operational and are generating electricity.

Gadsden Center: Installation of fixtures and equipment is complete and the building is in operation.

TCC Capitol Center: Renovations for the new INIE space are complete. Schematic design for the first floor revisions is complete, and the project plan for the improvements is being developed.

Past Actions by the Board

None

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
