

April 17, 2017

MEMORANDUM

TO: District Board of Trustees

FROM: Jim Murdaugh, President 

SUBJECT: Career Pathway Agreements with Public Schools in the North Florida Region

Item Description

This item presents Career Pathway Agreements between the College and public schools located in the north Florida region outside of TCC's service district.

Overview and Background

In an effort to provide career opportunities for secondary school students in Career Pathway programs, Tallahassee Community College is proposing to continue a partnership with the North Florida Career Pathways Consortium. TCC will provide career pathways in the areas of Graphic and Web Design Technology, Health Information Technology, Drafting and Design Technology, Building Construction Management, Computer Programming and Web Development, and Office Administration. President Grosskopf has provided written support of this agreement with Tallahassee Community College. President Grosskopf's letter is included with the attached agreements. The agreement includes students in Hamilton, Jefferson, Lafayette, Madison, Suwannee, and Taylor counties.

Past Actions by the Board

The Board has approved career pathway agreements with public schools in the past.

Funding/Financial Implications

None

Staff Resource

Feleccia Moore-Davis

Recommended Action

That the Board approve the Career Pathway Agreements.

Office of the
President

March 1, 2017

Dr. Jim Murdaugh, President
Tallahassee Community College
444 Appleyard Drive
Tallahassee, FL 32304

Dear Dr. Murdaugh:

Re: Articulation Agreements with the North Florida Career Pathways Consortium

Our North Florida Career Pathways Consortium Coordinator, Mr. Sam Stalnaker, has requested permission to enter into articulation agreements with Tallahassee Community College in the following areas:

1. Secondary Program: Digital Design articulate to:
 - a. Web Technologies A.S. and/or Web Technologies Certificate
 - b. Graphic and Web Design Technology A.S.
2. Secondary Program: Allied Health Assisting articulate to:
 - a. Health Information Technology A.S.
3. Secondary Program: Drafting will articulate to:
 - a. Drafting and Design Technology A.S.
 - b. Building Construction Management A.S.
4. Secondary Program: Web Development Assisting articulate to:
 - a. Web Technologies A.S. and/or Web Technologies Certificate
 - b. Computer Programming and Web Development A.S. and/ or Computer Programming and Analysis Certificate and/ or Computer Programming Specialist Certificate;
 - c. Graphic and Web Design Technology A.S.
5. Secondary and Post-Secondary Program: Administrative Office Specialist articulate to:
Office Administration A.S. and/ or Office Management Certificate.

North Florida Community College presently does not offer AS degrees or specific coursework in these areas. Therefore, North Florida Community College would have no objections to the North Florida Career Pathways Consortium entering into articulation agreements with your institution in these areas.

If I can be of any additional assistance in this matter, please feel free to contact me.

Respectfully,

A handwritten signature in blue ink, appearing to read "John Grosskopf", is written over the typed name and title.

John Grosskopf
President

**Career and Technical Education
Tallahassee Community College & Hamilton County School Board
Career Pathways Articulation Agreement
2016-2017**

Articulation is a method of granting college level course credit for learning and skills accomplished as part of secondary school instruction. The secondary school and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

TCC will work with the high school to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreement will be developed during the year, and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements and present evidence of the following:

1. Successfully complete the articulated secondary technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Enroll at Tallahassee Community College within 18 months of high school graduation.
 - a. Students may be subject to taking the College's placement test.
3. Enroll in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification. Completion of 9 credit hours in the A.S. or certificate program is required in order for the career pathway credit to be applied to the college transcript.

Procedure

1. The secondary school instructor provides evidence of completion to the district Career and Technical Education contact who forwards the information to the TCC's Career Pathways contact.
2. TCC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the district Career and Technical Education contact informing students of the Career Pathway articulation agreement opportunities.

Conditions of Agreement

1. Hamilton County High School faculty members and TCC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. Hamilton County High School and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Hamilton County High School and TCC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. TCC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either Hamilton County High School or Tallahassee Community College through providing thirty (30) days' notice. In the event of a termination, both schools agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at TCC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Vice President for Academic Affairs of Tallahassee Community College, Dean of Business, Industry and Technology for Tallahassee Community College, District Representative for Hamilton County Schools, the TCC Career Pathways Specialist and others as so designated.

Career Pathways Articulation Agreement between
Riveroak Technical College and Tallahassee Community College
2016 - 2017**

Articulation is a method of granting college-level course credit for learning and skills accomplished as part of vocational school instruction. Riveroak Technical College and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

Tallahassee Community College will work with Riveroak Technical College to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreements will be developed during the year and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements; select an A.S. or college- credit certificate and present evidence of the following:

1. Successful completion of the articulated technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Successful completion of all applicable developmental classes. Students not requiring developmental classes will earn credit upon acceptance to TCC.
3. At least a 2.00 overall GPA completed if college credit courses have been completed.
4. Completion of the Riveroak Technical College program no more than 18 months prior to enrollment at Tallahassee Community College.
5. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification. Completion of 9 credit hours in the A.S. or certificate program is required in order for the career pathway credit to be applied to the college transcript

Procedure

1. The Riveroak Technical College Career and Technical Education Director will provide evidence of completion to the designated Tallahassee Community College Career Pathways Specialist.
2. Tallahassee Community College's designated Career Pathways Specialist will issue a letter to students who have successfully completed the Riveroak Technical College program as reported by the Career and Technical Education Director.

3. If the student desires to participate in the identified Career and Technical Education program, the student will request that an official transcript be forward to TCC. Students will receive block credit upon submission of the Riveroak Technical College transcript.

Conditions of Agreement

1. Riveroak Technical College and TCC's faculty will review course textbooks, syllabi and other institutional materials as needed in order to develop articulated programs of study.
2. Riveroak Technical College and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Riveroak Technical College and TCC will cooperate in publicizing Career Pathways in order to ensure that students are aware of the opportunities.
4. Tallahassee Community College will not charge tuition for any courses for which a student receives articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee. The articulation committee will be composed of the Principal of Riveroak Technical College, the Director of Secondary Schools, the Provost and Vice President of Academic Affairs and the Dean of Business, Industry and Technology.

Career Pathways Articulation Agreement
2016-2017**

Articulation is a method of granting college level course credit for learning and skills accomplished as part of secondary school instruction. The secondary school and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

TCC will work with the high school to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreement will be developed during the year, and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements and present evidence of the following:

1. Successful completion of the articulated secondary technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Graduation from secondary school no more than 18 months prior to enrollment at Tallahassee Community College.
 - a. Students may be subject to taking the College's placement test.
3. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification. Completion of 9 credit hours in the A.S. or certificate program is required in order for the career pathway credit to be applied to the college transcript.

Procedure

1. The secondary school instructor provides evidence of completion to the district Career and Technical Education contact who forwards the information to the TCC's Career Pathways contact.
2. TCC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the district Career and Technical Education contact informing students of the Career Pathway articulation agreement opportunities.

Conditions of Agreement

1. Suwannee County School faculty members and TCC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. Suwannee County Schools and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Suwannee County Schools and TCC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. TCC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either Suwannee County School Board or Tallahassee Community College through providing thirty (30) days' notice. In the event of a termination, both schools agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at TCC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Vice President for Academic Affairs of Tallahassee Community College, Dean of Business, Industry and Technology for Tallahassee Community College, District Representative for Suwannee County Schools, the TCC Career Pathways Specialist and others as so designated.

**Career and Technical Education
Tallahassee Community College & Taylor County School Board
Career Pathways Articulation Agreement
2016-2017**

Articulation is a method of granting college level course credit for learning and skills accomplished as part of secondary school instruction. The secondary school and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

TCC will work with the high school to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreement will be developed during the year, and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements and present evidence of the following:

1. Successful completion of the articulated secondary technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Graduation from secondary school no more than 18 months prior to enrollment at Tallahassee Community College.
 - a. Students may be subject to taking the College's placement test.
3. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification. Completion of 9 credit hours in the A.S. or certificate program is required in order for the career pathway credit to be applied to the college transcript.

Procedure

1. The secondary school instructor provides evidence of completion to the district Career and Technical Education contact who forwards the information to the TCC's Career Pathways contact.
2. TCC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the district Career and Technical Education contact informing students of the Career Pathway articulation agreement opportunities.

Conditions of Agreement

1. Taylor County School faculty members and TCC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. Taylor County Schools and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Taylor County Schools and TCC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. TCC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either Taylor County School Board or Tallahassee Community College through providing thirty (30) days' notice. In the event of a termination, both schools agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at TCC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Vice President for Academic Affairs of Tallahassee Community College, Dean of Business, Industry and Technology for Tallahassee Community College, District Representative for Taylor County Schools, the TCC Career Pathways Specialist and others as so designated.

**Career and Technical Education
Tallahassee Community College & Taylor Technical Institute
Career Pathways Articulation Agreement
2016-2017**

Articulation is a method of granting college-level course credit for learning and skills accomplished as part of vocational school instruction. Taylor Technical Institute and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

Tallahassee Community College will work with Taylor Technical Institute to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreements will be developed during the year and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements; select an A.S. or college- credit certificate and present evidence of the following:

1. Successful completion of the articulated technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Successful completion of all applicable developmental classes. Students not requiring developmental classes will earn credit upon acceptance to TCC.
3. At least a 2.00 overall GPA completed if college credit courses have been completed.
4. Completion of the Taylor Technical Institute program no more than 18 months prior to enrollment at Tallahassee Community College.
5. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification. Completion of 9 credit hours in the A.S. or certificate program is required in order for the career pathway credit to be applied to the college transcript.

Procedure

1. The Taylor Technical Institute Career and Technical Education Director will provide evidence of completion to the designated Tallahassee Community College Career Pathways Specialist.
2. Tallahassee Community College's designated Career Pathways Specialist will issue a letter to students who have successfully completed the Taylor Technical Institute program as reported by the Career and Technical Education Director.
3. If the student desires to participate in the identified Career and Technical Education program, the student will request that an official transcript be forward to TCC. Students will receive block credit upon submission of the Taylor Technical Institute transcript.

Conditions of Agreement

1. Taylor Technical Institute and TCC's faculty will review course textbooks, syllabi and other institutional materials as needed in order to develop articulated programs of study.
2. Taylor Technical Institute and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Taylor Technical Institute and TCC will cooperate in publicizing Career Pathways in order to ensure that students are aware of the opportunities.
4. Tallahassee Community College will not charge tuition for any courses for which a student receives articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee. The articulation committee will be composed of the Principal of Taylor Technical Institute, the Director of Secondary Schools, the Provost and Vice President of Academic Affairs and the Dean of Business, Industry and Technology.
