RE: Gift Acceptance – Panorex Radiography Machine

The TCC Foundation has received a donation of a Panorex Radiography Machine for the TCC Dental Program. This is being donated by Dr. Woods, a local dentist.

The machine that is he donating is a couple of years old, but much newer than the one our program is currently using. This equipment has been valued at \$5,000.

Staff has conferred with TCC's Dental Program Chair, and Dr. Burtoft has agreed that they would like to accept this item.

As such, the Foundation would like to transfer this equipment to the College for the Dental Program's use.
